

Safety Tips to Remember This Rainy Season in the PH

MAKE YOUR GO-TO-WORK ROUTINE MUCH EASIER WITH THESE SAFETY TIPS WE COLLECT FOR EMPLOYEES LIKE YOU:

ALWAYS BRING YOUR UMBRELLA

NO MATTER HOW UNPREDICTABLE THE WEATHER IS, BRINGING AN UMBRELLA WITH YOU EVERY DAY ALREADY EARNS YOU ONE STEP TO SAFETY.

CANCEL OUT UNIMPORTANT PLANS AND ERRANDS

WHEN PAGASA OFFICIALLY ANNOUNCES THE TROPICAL STORM WARNING ON THE WEEK YOU'VE SET YOUR ERRAND, CANCEL OR RESCHEDULE IT. NO EXCUSES.

MAKE SURE YOUR PHONE OR POWERBANK IS ALWAYS FULLY-CHARGED

MAKE IT A HABIT TO LEAVE YOUR HOUSE WITH YOUR SMARTPHONE OR POWERBANK FULLY-CHARGED. IN CASE YOU'RE STRANDED, YOU CAN EASILY REACH YOUR FAMILY, AND EMERGENCY HOTLINES FOR HELP.

AVOID COMMUTING DURING RUSH HOUR

DURING TAG-ULAN SEASON, COMMUTING GETS MORE DIFFICULT THAN USUAL DURING RUSH HOUR (6AM TO 7AM, AND 6PM TO 7PM) DUE TO HEAVIER TRAFFIC FLOW.

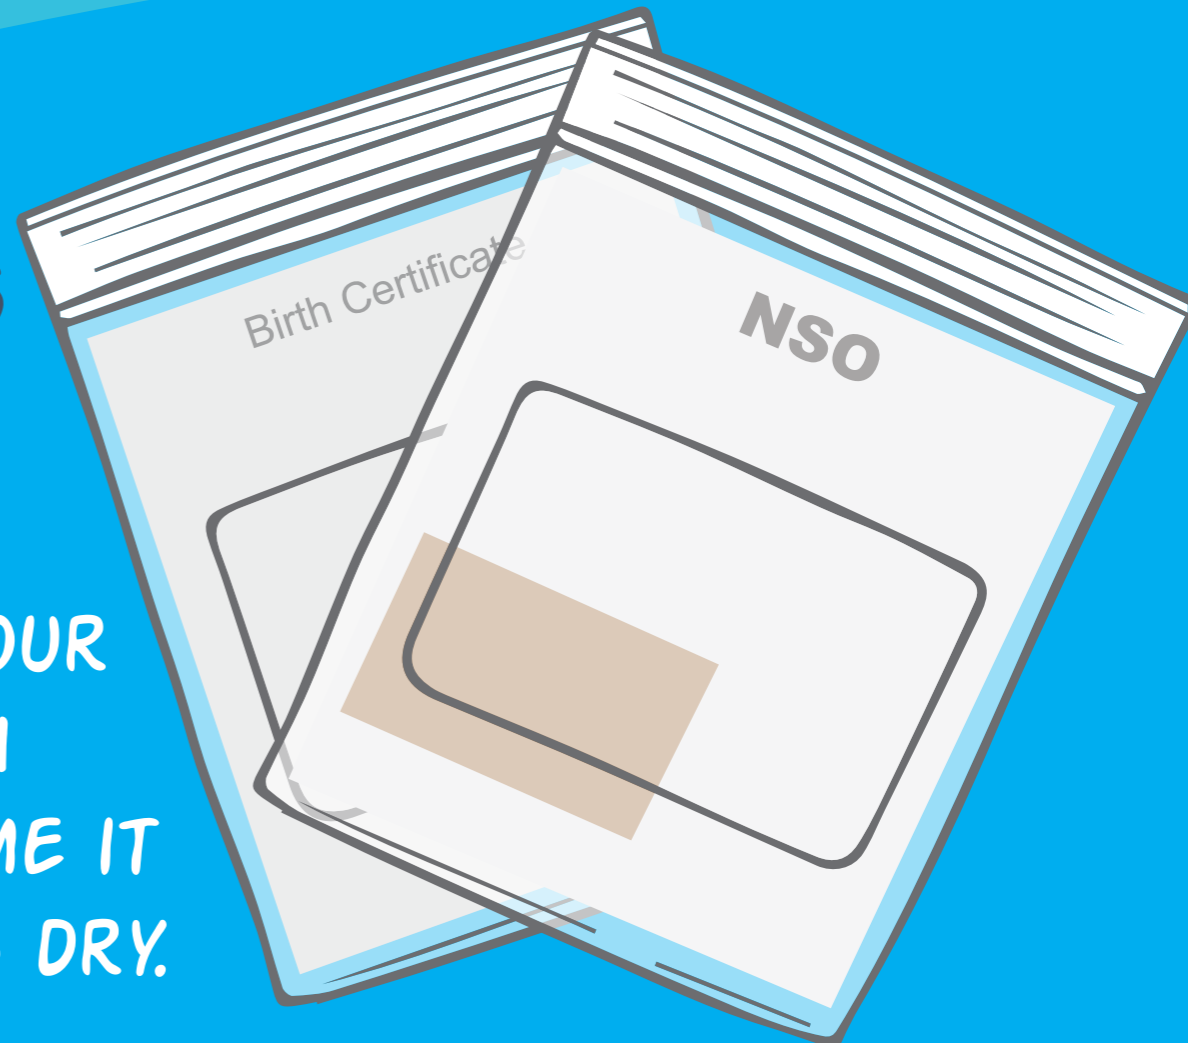

KEEP AN OVERNIGHT KIT IN YOUR DESK

IT'S AN EMERGENCY KIT COMPOSED OF TRAVEL-SIZED TOILETRIES, SOME MEDICINES, AND AN EXTRA SHIRT AND UNDERGARMENT. STORE THESE IN YOUR DESK IN YOUR OFFICE, SO YOU CAN HAVE YOUR OWN INSTANT SURVIVAL KIT IN CASE YOU GET STRANDED AT WORK.

WRAP YOUR IMPORTANT DOCUMENTS IN A ZIPLOC BAG

IF YOUR RESIDENTIAL AREA IS FLOOD-PRONE, START TRANSFERRING YOUR IMPORTANT DOCUMENTS SUCH AS BIRTH CERTIFICATE, NSO, PASSPORT - YOU NAME IT - IN A ZIPLOC BAG TO ENSURE IT STAYS DRY.

BRING THE FOLLOWING EXTRAS

CARRYING THESE IN YOUR BAG WILL MAKE YOUR COMMUTING TO WORK MUCH EASIER DESPITE THE HEAVY RAINFALL.

- AT LEAST TWO PLASTIC BAGS (A BIG PLASTIC BAG FOR YOUR BAG AND A SPARE ONE FOR YOUR THINGS)
- SHIRT
- SLIPPERS OR RUBBER BOOTS

SPARE SOME TIME TO PLAN OUT WITH YOUR FAMILY ON HOW YOU WILL SURVIVE THE DREADFUL RAINY SEASON. DON'T FORGET TO SHARE THESE SAFETY TIPS TO YOUR CO-WORKERS, FRIENDS, AND FAMILY MEMBERS. STAY SAFE AND DRY AT ALL TIMES!
